Lifeguard Training Classes

American Red Cross Lifeguard Certification gives you the skills and knowledge to become a professional lifeguard. Through videos, group discussion and hands-on practice, you'll learn patron rescue and surveillance skills, first aid and CPR/AED. The Lifeguard certification course teaches professionalism, patron and facility surveillance, victim recognition, equipment-based rescues, and caring for head, neck and back injuries.

Program Registration: Don't forget to fill out a program registration form prior to each session, found at the front desk or in the lobby flyer racks.

Lifeguard Training Course Details

The Lifeguard Training course is designed for individuals who want to lifeguard in a pool setting. Participants must be at least 15 years old by the last day of the Lifeguard Training course. The Lifeguard Training course includes a swimming pretest* the first day of class, rescue skills for shallow and deep water, spinal injury management skills, CPR skills, AED skills, First Aid skills and written and in-water skills tests. Participants should be prepared to enter the water at every class.

*Swimming Pre-test: Tread water for 2 minutes using legs only, swim 300 yards (100 yds front crawl, 100 yds breaststroke, 100 yds of either stroke) not timed, and do a 20yd swim retrieve a 10lb brick at a 7-10 feet depth, return to the starting point with the brick and exit the pool without any aid within 1 minute and 40 seconds. All participants must be able to pass the pre-test to continue the course.

Lifeguard Certificates Issued

At the completion of the Lifeguard training course, participants will be certified in Lifeguarding, First Aid and CPR/AED for the professional rescuer valid for 2 years.
